

## **BPR Award Impact on VDSS PPEA Proposals**

(1/24/05)

The VDSS RFP for Business Process Re-engineering (BPR) is being awarded to First Data Government Solutions. Therefore, the following will be removed from mandatory PPEA proposal activities:

- Step 1, page 5, of "VDSS PPEA Background"  
([http://www.dss.state.va.us/geninfo/ppea/files/intro/initial\\_information/vdss\\_ppea\\_background.pdf](http://www.dss.state.va.us/geninfo/ppea/files/intro/initial_information/vdss_ppea_background.pdf))
- The VDSS Project Initiative "Business Process Re-engineering", under "VDSS Mandatory Business Requirements" on page 2 of the document "Attributes for VDSS PPEA Proposals"  
([http://www.dss.state.va.us/geninfo/ppea/files/documents\\_procedures/attributes\\_for\\_vdss\\_ppea\\_proposals.pdf](http://www.dss.state.va.us/geninfo/ppea/files/documents_procedures/attributes_for_vdss_ppea_proposals.pdf))

Submitted PPEA proposals should include steps to incorporate recommended "To-Be" business processes resulting from completion of the BPR into proposed PPEA deliverables as appropriate.

If you have questions or concerns regarding the PPEA, please send them by email to [unsolicited.proposals@dss.virginia.gov](mailto:unsolicited.proposals@dss.virginia.gov).
